Dear Professor Fang:

This is an invitation to ask you to serve as the book series Editor-in-Chief titled “Biofuels and Biorefineries”. As we discussed, you will be in charge of organizing a group of outstanding researchers worldwide to work together. The book series will be focusing on all aspect related with biomass production, biofuels, bioproducts, chemicals, biomaterials, food and pharmaceutical products, energy planning and policy, as well as processing technologies. The style of the volumes must meet the standards of the Springer’s publication policy.

Given your wide spectrum of research experience and teaching experience at Chinese Academy of Sciences, University of Science and Technology of China, McGill University and Tohoku University, and your recent contributions to the field of Bioenergy, we are confident that you are fully capable of taking this leadership.

We would like to thank you in advance for your consideration.

With kindest regards,

Becky Zhao on behalf of Springer
