Engineering

International Virtual Symposium Sustainable Future of Renewable Biomass

DECEMBER 8, 2025 (ONLINE)

19:00 – 23:00 Beijing time BJT 06:00 – 10:00 Eastern Standard Time EST

Chair: Prof. Janusz A. Kozinski (Lakehead University, Canada)

Co-Chair: Prof. Zhen Fang (Nanjing Agricultural University, China) 方真

Co-Chair: Prof. Wo-na Ding (Ningbo University, China) 丁沃娜

Organizing Committee of the NJAU – International Virtual Symposium
herein certifies that

Professor Takafumi Sato

Participated in the symposium offering a Plenary Lecture entitled:

**Hydrothermal Decomposition of Strawberry Leaves for Solid
Weight Reduction and Recovery of Variable Components**

Nanjing Agricultural University (NJAU) – Lakehead University

College of Science and Technology, Ningbo University

Lakehead

Engineering

International Virtual Symposium Sustainable Future of Renewable Biomass

DECEMBER 8, 2025 (ONLINE)

19:00 – 23:00 Beijing time BJT 06:00 – 10:00 Eastern Standard Time EST

Chair: Prof. Janusz A. Kozinski (Lakehead University, Canada)

Co-Chair: Prof. Zhen Fang (Nanjing Agricultural University, China) 方真

Co-Chair: Prof. Wo-na Ding (Ningbo University, China) 丁沃娜

Organizing Committee of the NJAU – International Virtual Symposium
herein certifies that

Professor Kai Zhang

Participated in the symposium offering a Plenary Lecture entitled:

Sustainable Compounds in Action

Nanjing Agricultural University (NJAU) – Lakehead University

College of Science and Technology, Ningbo University

Lakehead
UNIVERSITY

Faculty of
Engineering

International Virtual Symposium Sustainable Future of Renewable Biomass

DECEMBER 8, 2025 (ONLINE)

19:00 – 23:00 Beijing time BJT 06:00 – 10:00 Eastern Standard Time EST

Chair: Prof. Janusz A. Kozinski (Lakehead University, Canada)

Co-Chair: Prof. Zhen Fang (Nanjing Agricultural University, China) 方真

Co-Chair: Prof. Wo-na Ding (Ningbo University, China) 丁沃娜

Organizing Committee of the NJAU – International Virtual Symposium
herein certifies that

Professor Lin Chen

Participated in the symposium offering a Plenary Lecture entitled:

**Mechanistic Study of 5-Hydroxymethylfurfural
Electrooxidation Coupled with Hydrogen Production**

Nanjing Agricultural University (NJAU) – Lakehead University

College of Science and Technology, Ningbo University

Lakehead
UNIVERSITY

Faculty of
Engineering

International Virtual Symposium Sustainable Future of Renewable Biomass

DECEMBER 8, 2025 (ONLINE)

19:00 – 23:00 Beijing time BJT 06:00 – 10:00 Eastern Standard Time EST

Chair: Prof. Janusz A. Kozinski (Lakehead University, Canada)

Co-Chair: Prof. Zhen Fang (Nanjing Agricultural University, China) 方真

Co-Chair: Prof. Wo-na Ding (Ningbo University, China) 丁沃娜

Organizing Committee of the NJAU – International Virtual Symposium
herein certifies that

Professor Xin Tu

Participated in the symposium offering a Plenary Lecture entitled:

**Plasma-enabled Power-to-X for Sustainable and Decentralized
Fuel Production**

Nanjing Agricultural University (NJAU) – Lakehead University

College of Science and Technology, Ningbo University

Lakehead
UNIVERSITY

Faculty of
Engineering

International Virtual Symposium Sustainable Future of Renewable Biomass

DECEMBER 8, 2025 (ONLINE)

19:00 – 23:00 Beijing time BJT 06:00 – 10:00 Eastern Standard Time EST

Chair: Prof. Janusz A. Kozinski (Lakehead University, Canada)

Co-Chair: Prof. Zhen Fang (Nanjing Agricultural University, China) 方真

Co-Chair: Prof. Wo-na Ding (Ningbo University, China) 丁沃娜

Organizing Committee of the NJAU – International Virtual Symposium
herein certifies that

Dr. Fuqiang Chen

Participated in the symposium offering a Plenary Lecture entitled:

**Effects of Adding Carriers on Nitrogen Removal Performance
and Membrane Fouling of PN/A MBR**

Nanjing Agricultural University (NJAU) – Lakehead University

College of Science and Technology, Ningbo University

Lakehead
UNIVERSITY

Faculty of
Engineering

International Virtual Symposium Sustainable Future of Renewable Biomass

DECEMBER 8, 2025 (ONLINE)

19:00 – 23:00 Beijing time BJT 06:00 – 10:00 Eastern Standard Time EST

Chair: Prof. Janusz A. Kozinski (Lakehead University, Canada)

Co-Chair: Prof. Zhen Fang (Nanjing Agricultural University, China) 方真

Co-Chair: Prof. Wo-na Ding (Ningbo University, China) 丁沃娜

Organizing Committee of the NJAU – International Virtual Symposium
herein certifies that

Dr. Roland Turnell-Ritson

Participated in the symposium offering a Plenary Lecture entitled:

**Valorisation of Biomass and Plastic Recycling:
A Sustainable Perspective**

Nanjing Agricultural University (NJAU) – Lakehead University

College of Science and Technology, Ningbo University

Lakehead
UNIVERSITY

Faculty of
Engineering

International Virtual Symposium Sustainable Future of Renewable Biomass

DECEMBER 8, 2025 (ONLINE)

19:00 – 23:00 Beijing time BJT 06:00 – 10:00 Eastern Standard Time EST

Chair: Prof. Janusz A. Kozinski (Lakehead University, Canada)

Co-Chair: Prof. Zhen Fang (Nanjing Agricultural University, China) 方真

Co-Chair: Prof. Wo-na Ding (Ningbo University, China) 丁沃娜

Organizing Committee of the NJAU – International Virtual Symposium
herein certifies that

Professor Aneta Magdziarz

Participated in the symposium offering a Plenary Lecture entitled:

**Carbon Dioxide and Steam Gasification of Food Industry
Biomass Waste: Pathways to High-value Biochars**

Nanjing Agricultural University (NJAU) – Lakehead University

College of Science and Technology, Ningbo University

Lakehead
